WHAT WE DO

Rural Health Aid Initiative (RHAi) dedicated to improving maternal and family health outcomes in rural communities with low incomes and limited access to healthcare facilities. We implement programs like Maternal Health Clinics, Health Education Workshops, and Community Outreaches and services such as Advocacy and Policy Engagement, Child Health and Nutrition, etc.

Empower Communities

Giving a voice to people living in rural communities by helping them to acquire basic resources to earn a living.

Health Education

Most African women in Africa are educated on the dos and don'ts they have to adhere to when pregnant.

Community Outreaches

We go on these outreaches to guide and implement programs in rural communities in Africa on child and nutrition.

TARGET BENEFICIARIES

Pregnant women and mothers in rural communities

Low-income families with limited access to healthcare

Community health workers and local healthcare providers

PROGRAMS AND SERVICES

Mobile Health Units

RHAi operates mobile health units equipped with medical professionals and essential equipment to reach remote communities and provide onsite healthcare service

Maternal Health Clinics

We operate mobile health clinics staffed by trained healthcare professionals to provide prenatal care, postnatal care, family planning services, and screenings for maternal health conditions in rural areas
